Special Media Partner

Ville, Rail & Transports is the professional media, leader in the railway and urban mobility sector. For the third time, Ville, Rail & Transports is the special media partner of Transrail Connection.

By giving economical, practical and technical information, Ville, Rail & Transports became a reference for the main actors of the railway sector : public authorities, public sector (SNCF, RATP, RFF) and private contractors : rolling equipment manufacturers (Siemens, Alstom, Bombardier, GE Transport, Vossloh, Stadler, Lohr, CAF, ...), equipment manufacturers (Freinrail, Compin, Faiveley, GHH Valdunes, ...) and infrastructure manufacturers (railway tracks, tracks equipment, signaling and building, ...).

On the occasion of Transrail Connection 2015, Ville, Rail & Transports will lead a plenary session to approach the main issues of the railway market.
